KVillegas@WeAreSynergy.org or 323-846-2210.

What Are the Trade Secrets Tours?

Synergy Academies' schools are the top-performing schools in their South Los Angeles neighborhood. As a result, people often ask, "What's your secret?," since Synergy's elementary school students have consistently performed near the top 10% of all students statewide, including outperforming students in communities such as Brentwood.

Synergy believes in the importance of sharing best practices so that all students receive a high quality education regardless of where their school is located. As part of its contribution back to the education community, Synergy hosts FREE Synergy Trade Secrets Tours that include a presentation on Synergy's best practices ("our secrets"), a tour of our classrooms to see our students and teachers in action, and a question and answer session with students and/or staff.
