

IT'S NOT JUST AN OPEN HOUSE. IT'S A CHANCE TO FINALLY DO WHAT YOU GOT INTO TEACHING TO DO.

Synergy is closing the achievement gap in South L.A. Come get a feel for how we're doing it, and how you might become a part of it.

We'll be holding mini-interviews for a variety of opportunities in multiple subjects, single subjects and special education, at Synergy Charter Academy (K-5), Synergy Kinetic Academy (6-8) and Synergy Quantum Academy (9-12).

Bring multiple copies of your resumé, your credentials, and plenty of questions. And energy. Lots and lots of energy.
